Lighthouse Board/Committee

Your lighthouse board and committee has been busy this year. Our president Mary Alice Rolfe has negotiated a memorandum of understanding with the Town of Verona. She has conferred with the NY State Canal Corp., and has signed a Canal Permit for the 2016 year. Our books have been audited and bills have been paid, including NY sales tax, trailer registration and 990's.

Thank you to our members and volunteers for all your help!

2016 Calendar of Events

International Lighthouse Lightship Weekend Update

International Lighthouse Lightship Weekend event August 20th and 21st at the Verona Beach Lighthouse!! Tons of people showed up to help set up the antennas and inside stations. Ron Panetta, WB2WGH and Fred Legawiec worked the rigs all night until lightning storms Sunday morning cut the special event station short. We had over 95 lighthouse visitors that asked a million questions about lighthouses and amateur radio. A few even worked the rigs and made contacts!! Details can be found on Fred Legawiec's Facebook page <https://www.facebook.com/search/top/?q=fred%20legawiec> in the near future!
