Lighthouse Cleanup Day 2017

2017 is a year of moving forward with new members and a brand new organization. Our president Mary Alice Rolfe has been busy organizing meetings of board members and getting ready for the new year of great events.

We have already had a

successful Cleanup weekend on Saturday, April 22, with 18 volunteers showing up to help with our efforts to clean up our lighthouse. We signed on several new members at the event and

are planning our next event on July

2 to participate in the 100 year anniversary of the lighthouse.

Memberships are being processed and membership cards are being mailed.

Many organizations are planning visits to the lighthouse. It looks like a busy year ahead.

Thank you to our members and volunteers for all your help!
